Reseller Fee Cheat Sheet 2026

What each marketplace takes from a US sale: eBay · Poshmark · Mercari · Whatnot · Depop · Etsy

SoldSplit

eBay

as of Oct 27, 2026

- **13.6%** final value fee (most categories) on the total sale: item + shipping + sales tax, up to $7,500; **2.35%** on the part above
- Plus a per-order fee: **$0.30** if the order total is $10.00 or less, **$0.40** above $10.00
- Insertion fee: first **250** listings a month free, then **$0.35** each
- Some categories (books, trading cards, coins, sneakers, handbags, jewelry, watches, guitars) use other rates

Poshmark

as of Oct 25, 2026

- **$2.95** flat on sales under $15
- **20%** of the sale price on sales of $15 or more
- The buyer pays Poshmark for the prepaid label, so shipping isn't part of your fee
- Since Oct 26, 2026, label upgrades come out of your earnings: **$5.00** (5.01–10 lb), **$10.00** (10.01–15 lb)

Mercari

as of Oct 21, 2026

- **10%** selling fee on the item price + buyer-paid shipping (listings created or updated on or after Jan 6, 2025)
- No separate seller payment-processing fee
- Buyers pay a separate **3.6%** Buyer Protection fee

Whatnot

as of Nov 1, 2026

- Commission on the item price only: **8%** at the Standard tier in most categories (**4%** for Coins), lower at higher 4-week sales tiers
- Plus payment processing: **2.9% + $0.30** on the buyer's total (item + shipping + tax)
- The US Premier Shop commission discount ended Nov 1, 2026

Depop

as of Oct 21, 2026

- **No selling fee** for US sellers
- Payment processing: **3.3% + $0.45** on item + shipping + any taxes
- Optional Boosted Listings: **12%** of the item price (US, boosted from Mar 23, 2026), plus shipping if you didn't use a Depop label

Etsy

as of Oct 21, 2026

- **$0.20** listing fee per item
- **6.5%** transaction fee on item + shipping (+ gift wrap); for US sellers, not on sales tax
- Payment processing (US): **3% + $0.25** on the total, including shipping and sales tax
- Offsite Ads fees are not included
